INTRODUCING CERTIFID

TrustPoint Title has recently partnered with **CertifID**, the nation's leading wire fraud prevention solution.

CertifID (www.certifid.com) brings TrustPoint Title's "best practices" to an even higher level for securing identity verification and preventing wire fraud.

HOW YOU'RE PROTECTED

CertifID enables real estate, mortgage, and title industry professionals to verify the identities of parties in a transaction and securely share bank account credentials. The result? Closing funds are safely received by the proper parties.

CertifID provides a vital line of defense against fraudsters and is our preferred method of safely sharing wiring instructions. It's simple:

- Validate your customer's identity
- Securely share wiring information
- Regain confidence in your transactions

EDUCATING CUSTOMERS

TrustPoint Title is alerting borrowers, buyers, and sellers at the beginning of each transaction about the wire fraud epidemic and the critically important protocols to follow when sending and receiving funds in connection with a closing.
